

In respect for the recent events at James Smith Cree Nation that have personally touched many in our learning community, SIIT will be pausing all community-based academic and Career Centre programs and travel this week to give our learners, staff, and their families time to process, grieve, and gather together. Programs and travel will resume on Monday, September 12th.

Campuses remain open, on-campus/trade centre programs will continue, and counseling services are available to anyone in need. If you have any questions, please contact your program coordinator.

A minute of silence will be held at all campuses on Tuesday, September 6<sup>th</sup> at 9:00 a.m.

In this time of grief and uncertainty, please take the time to do a check-in with yourself, your classmates, friends, and family.

We are all in this together,
